1919 was the celebration of the first Cheese Days put on by members of the Cowlitz Valley Cheese Association. These dairyman joined together to market their cheese and in June met to pass out the first checks from cheese sales. They had a little get together and all had such a good time that they decided to make it an annual event and to invite local citizens. Cheese sandwiches were served at the first Cheese Days and they are still served (free of charge) at the Presbyterian Church during the annual Cheese Days celebrations.
